- Heinz has introduced **Golden Circle Healthy Life™ Fruit Juice** with Probiotic Cultures – a dairy-free dose of daily probiotic goodness.
- The first of its kind in Australia, the delicious chilled juices are free from dairy, have no added sugar and no artificial colours or flavours.
- **Golden Circle Healthy Life™ Fruit Juice** contains the goodness of fruit juice with the added probiotic benefits of Probi Defendum™ - clinically shown to support the body's natural immune system ensuring daily protection against environmental stresses.
- **Golden Circle Healthy Life™ Fruit Juice** also contains twice the recommended amount of Vitamin C per serving.
- **Golden Circle Healthy Life™ Juice** with Probiotic Cultures is available in Apple Mango and Breakfast flavour in both 300ml (\$2.79) and 1lt (\$4.99) bottles.
- **Golden Circle Healthy Life™ Fruit Juice** can be found in the chilled aisle at all major supermarkets and selected independent retailers in QLD, NSW and VIC.
